An Extraordinary One-Day Basement Sale! About 50 Rich-Looking Coats Of Fancy Two-Tone Plush at \$19.95

These Coats if Bought in the Ordinary Way Today Would Sell for \$27.50 Each. Tomorrow You Can Buy Them Here at a Saving of \$7.50

Some months ago we by chance secured a limited quantity of very rich two-tone plush at a very low price. Just enough for 50 Coats. We put this in the hands of one of our regular manufacturers and had him make them up at his convenience. From a fortunate purchase of kitoney fur collars we took 50 and had one put on each of these Coats. We cannot go into the market today and secure anything like these values. In fact, the cellar alone is worth about two-thirds the price we are asking for the Coat.

The material is a deep, heavy pile plush, in green and burgundy, with fine invisible stripe. The coat is made full 48 inches long with extra large shawl collar—10 inches deep—of Genuine Kitoney.

Coat has 6-inch turnback cuffs and 4-inch all-around belt. Lined throughout with extra good serge lining. Has two novelty side pockets. Collar can be worn rolled high at the neck. Coat fastens with buttons of self-material. In sizes 14 to 44. Green and Burgundy only.

A Most Unusual Value Offering! Don't Fail to See These Coats!
